Copy of letter dated 17-1-1913 from Mr. B. Suryanarain Rao, No. 62, Manavarthepet, Bangalore City, to the President, City Municipal Council, Bangalore.

I beg leave to invite your attention to your office notification No. 1273 dated 10th December 1912 which has been published on pages 50 to 56 in Part II of the Mysore Gazette dated 9th January 1913 and to suggest that Bengalgram Factories may be included in the list of B.-"Offensive Trades". I have several times brought to the notice of the Health Officer and that of the Vice President, the evil effects of smoke arising out of these furnaces. Many of these furnaces are situated close to dwelling houses and the smoke is in most cases blown direct into the interior of these houses contaminating not only the air inside such houses and thereby affecting the health of the inmates but also soiling the roofing, flooring and walls of the houses. I therefore venture to suggest that for the above reasons Bengalgram Furnaces be included in the list of " Offensive Trades ".
